

Message to our customers regarding COVID-19

At Cash Moulding, the health and safety of our employees, customers, and vendors is of primary concern. We are monitoring the development of COVID-19 closely. We remain confident in our country's ability to address the challenges raised by the outbreak.

The safety of employees, customers, and suppliers is our No. 1 priority. We have instituted the following policies and procedures related to the coronavirus:

Outside sales rep will be brought in to work from our office for the next few weeks. We are going to take this time to update our customer records and improve our ability to communicate with you electronically. Should you require an in-person visit, please reach out to your sales rep.

Also, our Open House will be postponed while we await further developments. We will alert you to the new date as soon as they're determined. We apologize for any inconvenience this may cause for your travel plans. We feel it's necessary to minimize the exposure of our employees, customers, and vendors until more information is available.

You are still welcome to visit our office. Your delivery schedules will remain the same without disruption. We are encouraging our employees to practice protective measures and maintain the cleanliness of their work environment. We are committed to bringing you a continuity of service. We will however do whatever is necessary to protect the health of our employees.

Cash Moulding remains committed to supporting and providing value to our clients during this challenging time. If there is anything you need, please don't hesitate to reach out to us in the office or your sales rep.

Thank you,

Jim West
